

Find the Perfect Gift for National Grandparents Day

Celebrate the grandparents in your life on Sunday, September 9. Discover affordable, yet personal gifts for your grandparents to cherish and share with their friends at Dollar General.

Gift grandmother her favorite bath and body essentials from Studio Selection™. Encourage her to try a new lotion like the Studio Selection™ Daily Moisturizing Lotion that helps to nourish skin for up to 24 hours. If she loves facial skin care, include the Studio Selection™ Rejuvenating Foaming Cleanser or Studio Selection™ Moisturizing Beauty Lotion for radiant-looking skin.

For the grandfather who loves to groom, consider signing him up for the DG Shave Crew that allows you to choose the cartridge count, set the schedule and ship to their doorstep. Plus, it includes free shipping every time, every day when you subscribe with the flexibility to cancel or change your order any time. Learn more on joining the crew here: <https://www.dollargeneral.com/shave-crew>.

If grandmother loves to decorate the home for the holidays, treat her to new seasonal home décor. October and Halloween will soon be here, so have her prepped with festive decorations. Celebrate the day with home décor that can be appreciated year round like picture frames, which can be perfect for framing ahead of time with your favorite family photo or children's original art. Candles can also be a great supplement to the gift basket.

Write a thoughtful message to share with greeting cards from Dollar General for as little as \$0.50 each! Gift cards can be a great addition to a thoughtful note.

Whatever their style or interests, it's easy to show grandparents they are loved this National Grandparents Day. Save on gifts and gift packaging essentials like gift wrap, bags, tissue paper and more by heading to your local Dollar General or shopping online.

Happy National Grandparents Day!
