Pet bed: Welcome your pet home with a comfortable place to sleep. The EverPet® Pet Bed is an affordable option to meet your pet needs. Available in various sizes, the Everpet® bed options are comfortable and an economical option for pets of all sizes.

Puppy Pads: For new dog owners, puppy pads can be essential to keeping an accident-free home as you housebreak your pet. Puppy pads can be convenient and easy to cleanup.

Steel Pet Bowl: A stainless steel dog food bowl that resists bacteria, rust and scratching is a long-lasting, durable option for your new pet. Consult with your veterinarian on how often to feed your pet throughout the day and on needed water intakes.

Retractable Leash: Get your pet outdoors and moving with a leash that can extend from two to 16 feet. This leash is a great option that can support dogs up to 55 pounds.

Toys: Stocking your home with enough toys to keep your pooch entertained is important so they don't retreat to using your belongings as their own personal chew toys. This EverPet® Knotted Rope Toy is great for a game of tug-of-war and for their teeth and gums! If your pet is smaller, they may enjoy an EverPet® Vinyl Squeaky Toy instead. This toy comes in an assortment of colors and shapes!
