

## Ways to Save on a New Year's Eve Celebration

Whether you're hosting or attending a fun celebration or celebrating from home, there's no wrong way to bring in the New Year. Ring it in with affordable party décor, supplies and much more by shopping for all your New Year's Eve necessities at Dollar General.

Instead of serving a big meal, consider easy-to-refill snacks like pretzels, nuts, chips and candy. Save with private label brands like Clover Valley®, Good & Smart®, Heartland Harvest® and Sweet Smiles®. Look for the private brands that carry a 100% satisfaction guarantee.

Appetizers can also be a quick way to get ready for the big night. Check out DG Easy Meals for inexpensive, quick appetizers that may require only a few ingredients. If you're hosting friends and family and prefer a larger meal, you may consider asking guests to bring a small food item for a potluck celebration.

If you plan to decorate, neutral colors like black, white, silver and gold tend to be popular colors for New Year's celebrations. Find disposable party plates, napkins, utensils and party cups for easy cleanup. Plus, tableware can be a quick way to add festivity to any gathering. A silver and gold reversible and disposable table cloth featuring party foil confetti and a centerpiece may be used to decorate the snack and drink table.

Make memories by setting up a photo booth and providing guests with props, string spray and squawkers. Welcome in 2019 with a pair of fun, classic glasses and a foil confetti popper that can be perfect to use when the clock strikes at midnight.

Have a safe and wonderful celebration and New Year!
